

**Advisory on the COVID-19 Outbreak 11/2020  
(as of 25 May 2020)**

**Travel**

1. Defer all travel to reduce the risk of contracting COVID-19 infection while overseas. Exercise caution when need to travel.
2. Comply strictly with the Leave-of-Absence, Stay-Home Notice or Quarantine Order issued when you return from overseas.
3. If you are travelling overseas, do not go near live animals, including poultry and birds; do not eat raw and undercooked meats; and do not be in crowded places and around people who are unwell.
4. Upon return to Singapore from any country, monitor your health closely for 14 days and see a doctor if unwell<sup>1</sup>. Inform your doctor your travel history. If you have a fever or respiratory symptoms (cough, shortness of breath), wear a mask and call the clinic ahead of the visit. Do not doctor-hop.
5. Members with known close contact with those returning to Singapore from any country must monitor their health closely for 14 days and see a doctor if unwell.

**Personal Hygiene and Social Responsibility**

6. Wash your hands frequently with soap. Avoid touching your face unnecessarily.
7. See a doctor promptly if you feel unwell.
8. Cover your mouth with a tissue paper when coughing or sneezing if you are not wearing a mask, e.g. when you are at home or exercising.
9. Be socially responsible, as it is critical in slowing the spread of the virus.<sup>2</sup>
10. While in public, it is mandatory to wear a mask even if you are well to protect yourself and others, avoid crowds, avoid physical contact with others and common touch points, avoid touching your face, and maintain a safe distance of at least 1m from others.

  - i. Festive activities like Moon Cake Festival, Thanksgiving events, etc.

22. Leaders and members are encouraged to use remote means (e.g. Zoom, FaceTime, etc.) to communicate and minister to one another. They are strongly advised not to hold religious gatherings in private settings, except with family members in the same household.<sup>11</sup>

---

<sup>10</sup> Bethel Presbyterian Church has previously issued an advisory (dated 23 April 2020) to suspend all other church ministries (besides services) from 24 Mar to 1 June 2020.

<sup>11</sup> Ministry of Health's Press Release: *Circuit Breaker to Minimise Further Spread of COVID-19*, dated 3 April 2020. See also <https://www.moh.gov.sg/news-highlights/details/strong-national-push-to-stem-spread-of-covid-19>, dated 21 April 2020.

23. All church staff are required to work from home during the Circuit Breaker period (7 April to 1 June 2020).<sup>12</sup> But from 2 June 2020, church staff can go into office, but only when the church can demonstrate that it is necessary, such as to access specialized systems or equipment that cannot be accessed from home, or to complete a contract or transaction that is legally required to be completed in person and on site.<sup>13</sup>

## Funerals and Wakes

24. Funerals and wakes are still permitted but should involve not more than 10 persons at any one time (excluding religious and other supporting workers, which must be kept to a minimum).<sup>14</sup>
25. There must be strict adherence to precautionary measures, including registration of attendees to facilitate contact tracing, temperature screening and travel and health declaration. Unwell attendees, those who have travelled overseas in the last 14 days, or who are serving home quarantine or stay-home-notice must be turned away. There must be frequent cleaning and sanitisation of premises, including common areas and high-contact surfaces. Ventilation must be improved. Attendees must be reminded to observe personal hygiene and be socially responsible. There must also be strict observation of the authority's Density-Intensity-Duration guideline.<sup>15</sup>
26. **Density:** Density refers to the physical proximity between individuals. Safe-distancing of at least 1m between individuals and no physical contact must be adhered to at all times (including queuing), at all venues and during all rituals.
27. **Intensity:** Intensity refers to the degree of release of droplets and hence must be minimized. Since singing is deemed as a high-intensity activity by the authorities, it will be prohibited.<sup>16</sup> Wear a mask at all venues and during all rituals. Social interaction between attendees at wakes must also be minimised.<sup>17</sup>
28. **Duration:** Duration refers to the period of time individuals are exposed to one another, which must be kept to the minimum necessary by simplifying and limiting to essential rites. Attendees of wakes must be advised to not linger and leave as soon as possible.<sup>18</sup>

---

<sup>12</sup> Ibid. See also <https://covid.gobusiness.gov.sg/faq/essentialworkers>. Only the owner of an organization not providing essential service can go back to the business location to take care of crucial tasks that cannot be done remotely or to retrieve necessary materials or documents. Bethel has appointed the Senior Pastor and Church Manger for this task currently.

## Marriage Solemnizations<sup>19</sup>

29. Only virtual solemnizations are permitted until 1 June 2020.
30. From 2 June, marriage solemnizations in-person can resume, involving up to 10 persons. This includes the bride and groom, all guests, which must be limited to the immediate families of the couple (i.e. parents, children, siblings, in-laws and grandparents) as well as the two witnesses. The Solemnizer will be excluded from the 10-persons limit.
31. Safe management measure should be in place at the solemnization venue. This includes the wearing of masks by all parties, and no lingering in or outside the solemnization venue once the ceremony is completed.
32. There should not be any post-solemnization reception or buffet.
33. The solemnization should be kept short (10-15 minutes).
34. Video-link solemnization will continue to be available as an option for eligible couples who prefer to do so during this COVID-19 period, until further advised.

## Connectedness with God and One Another

35. All members are encouraged to regularly connect with God through prayer, reading and meditating His Word and worshipping Him with spiritual hymns and songs, alone or with family members staying together, during this period.
36. All members are also encouraged to connect with other members via text messages, phone calls and other remote ways.

## Care and Concern for Others

37. As Christians, we are called to show care and concern for our neighbours. We can do so by praying for COVID19-infected patients, their family members, healthcare professionals and other frontline workers, foreign workers, government authorities, the nation and the world. We can also contribute to the church's love offering and [Safe Sound Sleeping Place \(S3P@Bethel\) ministry](#) to assist those in need, and in other ways.
38. We should not discriminate or criticize baselessly. Instead we should do our part to support the fight against this outbreak, and be channels of God's blessing.

## Evolving Nature of Outbreak and Update of Advisory

39. In view of the evolving nature of COVID-19 pandemic, the advisory will be updated as and when circumstances demand.
